T-JTA RESEARCH SUPPLEMENTS

Supplement No. 8. Student Sten Norms. The less “desirable” traits, such as Nervous & Depressive, have been reversed for the Student Sten Profile so that Composed, Light-hearted, etc. are listed at the top of the profile. These Norms are only applicable to and must be used with the Student Sten Profile.

Supplement No. 10. German-Language Norms. This is a Germany/Austria standardization for use with the German Question Booklet.
